

WOULD HAVE LAW TO REGULATE THE BEAUTY PARLORS

Rep. Helen Grimes, of Allegheny, Introduces A Bill

IS NOW IN COMMITTEE

It Is Claimed That There Are Insufficient Restrictions At Present

By G. Ross Downing
I. N. S. Staff Correspondent
HARRISBURG, Pa., Feb. 4.—Pennsylvania would take a hand in checking the ever increasing number of beauty parlors under the provisions of a bill introduced in the House of Representatives by Rep. Helen Grimes, of Allegheny. The bill was in the hands of a committee today and is expected to be reported out for first reading next week.

Miss Grimes contends that there are insufficient restrictions on beauty parlors and that some legislation is needed both from a health standpoint and from the standpoint of offering some protection to those already in the business. Furthermore, she contends, legislation will put an end to the practice of placing a wash basin and a few towels in a room and have the owners call themselves cosmetologists.

The bill introduced by Miss Grimes defines and regulates the occupation of cosmetologists, creates a State board of examiners of five persons for the licensing and registration of persons to engage in or teach cosmetology, and provides penalties for violations. Fines range from \$10 to \$50 for violations of the rules and regulations of the act.

Order New Furniture For School Buildings

Bristol Township School Board met last night and placed the contract for the new school furniture which is to be installed in the two new school buildings now in the course of construction at Edgely and Croydon.

All of the members of the Board were in attendance and routine business was transacted. It was reported that good progress is being made in the construction of the two new buildings.

Goodwill Firemen Hold Big Get-Together Party

Members of Goodwill Fire Company, No. 3, held a big get-together meeting last night when 100 members assembled at the fire station and enjoyed a program of entertainment which was followed by a repast.

The program was entertaining and much enjoyed by those present.

There was a dancing act by Freeman and Thompson, and others on the program were John Lynch, Charles Waters, Keys and Elmer and a magician who mystified all by his very clever tricks. Delia's orchestra furnished the music for the occasion.

Grover Yeagle was master of ceremonies and Raymond Nevegood, first assistant chief of the fire department, delivered a talk to the men.

DELUXE BUSES TO SERVE DOYLESTOWN

P. R. T. Will Inaugurate The Service Beginning Next Sunday Morning

TAKE TRIAL TEST TRIP

DOYLESTOWN, Feb. 4.—The first of the deluxe type of gasoline-electric buses that will be operated by the P. R. T. between this borough and Philadelphia starting Sunday morning at 7 o'clock, was driven into town yesterday, carrying a number of officials of the Philadelphia Rural Transit Company, and representatives of the Willow Grove Road of Trade.

Upon arrival in town members of Doylestown Borough Council joined the party and a short trip south on the Doylestown and Willow Grove highway and return, was made. This was followed by a conference between local councilmen and representatives of the company who were accompanied by N. T. Brown, president of the Philadelphia Rural Transit Company.

The bus brought here yesterday is of the same type that is operated between New York, Philadelphia and Washington. Six of the same type, all new, will be placed on the Doylestown and Philadelphia route starting Sunday when the new line starts operation. As traffic demands, the number of buses will be increased. The company has a schedule that calls for a bus every thirty minutes if traffic warrants.

Discussing the new line yesterday Mr. Brown stated that he had asked his company for an appropriation of \$80,000 for the erection of a modern garage and bus terminal to be erected on the P. R. T. site adjoining the Sommer Creamery on Union street in the near future.

The new bus line will be operated on an express service basis. The P. R. T. trolley line between this borough and Willow Grove will take care of the local traffic. Patrons boarding the new buses south of Willow Grove at any station point, will have to pay the full fare from Willow Grove to Philadelphia.

The bus schedule calls for a bus leaving Doylestown and Philadelphia every two hours from 7 a. m. to 9 p. m. Convenient connections will be made in Doylestown with the Doylestown and Easton line, with rearrangement of the schedule of that line.

For the time being, until Union street is repaired the bus will enter town on Main street and stop at the P. R. T. terminal opposite the Court Inn. After unloading passengers the bus will proceed to a section of Broad street where it will remain until five minutes before leaving time when it will again proceed to the local terminal.

With the repair of Union street it is planned to enter town on Main and turn left on Hart avenue or Ashland street, to Clinton street, where a right turn will be made and continue to Union street, north on Union to Shewell or Main and then to the terminal.

The type of bus to be placed on the new line is of the very latest design and is said to be in advance of any other deluxe passenger bus in service today. Every provision has been made for safety and the careful operation of the buses through the selection of a special corps of trained operators.

With the completion of Broad street in Philadelphia, approximately fifteen minutes will be cut from the running time of one hour and thirty minutes. The through rate from Doylestown to Philadelphia will be 85 cents.

TO ATTEND CONFERENCE

Miss Nettie Santo, of McKinley street, and Miss Janice Wagner, of Radcliffe street, will attend the Girl Reserve Conference in Atlantic City, N. J., from this evening until Sunday.

LATE NEWS

ATLANTA, Feb. 4.—Mrs. Lottie Ingram, 20, and her one and a half year old baby boy were found mysteriously slain today in their apartment. Mrs. Ingram had been beaten to death with a flat iron and the baby apparently was strangled.

HAZLETON, Pa., Feb. 4.—The Lehigh Valley Coal Company announced today that the company's mines in this section of the State will be idle tomorrow and Monday because of a light demand for anthracite coal. The mines of the Cranberry and Harwood coal companies suspended operations for today and tomorrow.

PITTSBURGH, Feb. 4.—While John Verlihay, 15, a high school student, was sweeping out his father's saloon here today, two armed bandits entered with drawn revolvers, locked the boy in a back room and looted the cash register of \$100. The bandits escaped in an automobile.

BRISTOL A. A. VICTORS OVER ST. ANN'S FIVE

"Al" Bauer Does Much To Steady His Team Mates In Contest

HUFF-DALANDERS LOSE

The St. Ann's basketball five went down to defeat last night at the hands of the Bristol A. A. 27 to 10 in a regular League game played in the Lutheran Hall.

The presence of "Big Al" Bauer in Bristol's line-up seemed to steady the team and give them more confidence than they have shown any time this season.

"Les" Bailey was high scorer for the Blue and Gold team, arching four field goals through the cords. "Gene" Dugan was next with three field goals and one foul. Bauer got three two-pointers; Sackville 1 field goal and 1 foul; "Dates" Pegley got a two-point.

Puchino was the most effective man for St. Ann's, netting two field goals. Fields and Giagnacova got one field goal apiece. Pope and Pieo shot one foul goal each for their team.

We Introduce Today — Albert J. Obrecht

M. R. OBRECHT is known by a wide circle of acquaintances and friends through his association with the United Cigar Company Store, located on Mill street, near Wood.

His first abode was in Philadelphia, and for 21 years the City of Brotherly Love was made his home. As a student of the Philadelphia public schools, he graduated from the Central High School there.

His first means of employment was in various chemical plants in New York and other large cities. During his service for Uncle Sam, as a member of the U. S. Naval Forces, Mr. Obrecht was stationed at various points on the Atlantic Coast, from Nova Scotia to Hampton Roads. After 14 months of service, he was granted an honorable discharge in February, 1919.

After his return to civilian life, Mr. Obrecht secured employment with a chemical plant in Baltimore, and later worked at the Rohm & Haas Chemical Company plant, here. During this time he engaged in correspondence courses of study dealing with chemistry. After leaving the local chemical establishment, he was interested in a garage business at 31st and Hunting Park avenue, Philadelphia, for a period of 14 months.

Again returning to Bristol, he commenced the operation of the local United Cigar Store, here, in which employment he has been interested since January 1, 1926.

Swimming and baseball form his chief means of enjoyment; and a few years ago he played with the Philadelphia Professional baseball team. Mr. Obrecht is an active member of the Robert W. Bracken Post, No. 382, American Legion; and has also joined the Red Men, Pocahontas and Golden Sceptre Lodge in Philadelphia.

NEED NEW BRIDGE ACROSS THE RIVER AT MORRISVILLE

New Jersey State Engineer Says Structure Should Be Replaced

HAS HEAVY TRAFFIC

Urge Legislators To Appropriate Money For Erection Of New Structure

TRENTON, N. J., Feb. 4.—Although there is no immediate danger of the Trenton-Morrisville bridge across the Delaware River, collapsing with consequent loss of life, yet the condition of the bridge is sufficiently grave to warrant the rebuilding of it at once, declared Louis Focht, member, superintendent and engineer of the Delaware River Free Bridge Commission today.

The need for a new bridge, he continued, cannot be too strongly emphasized. The condition of the fifty-year-old bridge, now serious, is becoming worse with the passage of time, he declared.

Senator Arthur Pierson, Mr. Focht said, had been told of the situation, and that the Legislature should act by appropriating the necessary funds for the rebuilding of the bridge. Senator Pierson is chairman of the Federal and Inter-State Relations Committee of the Legislature. According to Mr. Focht, the attention of the Legislature was directed to the condition of the bridge at last year's session, but no action was taken. The matter has again been presented to the present Legislature, he said.

A number of the older bridges across the Delaware River are now in such shape that traffic upon them must be limited, Mr. Focht continued. The entire situation should be cleared up by the Legislature, he said, in order that the bridges can take care of necessary road traffic.

Eddington Boosters Hear Interesting Talk

The Eddington Improvement Association is proving just what an organization interested in the betterment of a community can do, when the proper spirit is instilled into such a work.

This splendid organization which has done much for Eddington since its inception, is planning many events to take place in the near future, all of which will redound to the good of the residents.

Last evening at the regular monthly meeting held in the Parish House, Mr. Samuel Carless, a representative of a Tacoma real estate firm, addressed the men. Mr. Carless told of the work that such an improvement association can do to help in building up the kind of a community the residents desire. He laid particular stress on the importance of such an association co-operating with the authorities of the town.

The Eddington Association is presided over by Edward A. Fitch, and at present all the members are interested in a membership drive, which has been well launched.

Luke Christopher, Jr. Dies; Three Days Old

Luke, Jr., the infant son of Captain and Mrs. Luke Christopher, died in the Harriman Hospital, last evening. The baby was three days old.

This afternoon the Rev. Howard L. Zepp, pastor of the First Baptist Church, will conduct the funeral service in the parlors of the H. S. Rue Estate, Mill street, at 3 o'clock, and burial will be made in Bristol Cemetery.

—William, the little son of Mr. and Mrs. John P. Wiesner, of Dorraunce street, is very ill at his home with an attack of typhoid fever.

—Mr. and Mrs. Jack Holt, of Overbrook, Pa., were Sunday guests of Mr. and Mrs. Joseph Dooley, of 534 Harrison street.

MR. PAUL RUNYON WEDS MISS LORETTA CARROLL

Attractive Wedding Takes Place in St. Mark's Church Here

MANY ATTEND AFFAIR

At four o'clock yesterday afternoon an attractive wedding was solemnized in St. Mark's Church, when Miss Loretta Ellen Carroll, daughter of Mr. William Henry Carroll, of Bristol, became the bride of Mr. Paul Richard Runyon, son of Mr. and Mrs. John Truby Runyon, of 5809 Penn street, Philadelphia. The ceremony was performed by the rector, the Rev. Joseph E. Murphy. Many persons witnessed the same.

The bride was attended by Miss Gertrude Madeline Johnson, of Bristol, as bridesmaid. Mr. Edward T. O'Brien, of Philadelphia, a cousin of the bridegroom, acted as best man.

The bride was charmingly attired in a gown of Mosaic blue satin crepe trimmed with silver, a cloche hat of grey silk with slippers and stockings to match. She wore a shoulder corsage of tiger lilies and lilies of the valley.

The bridesmaid wore a gown of rose tan georgette, a cloche hat of rose tan silk and straw, slippers and stockings to match. She wore a shoulder corsage of sweet peas.

Lohengrin's wedding march was played by Miss Katherine Keating as the bridal party entered the sanctuary of the church, with Mendelssohn's march at the conclusion of the ceremony.

Following the church ceremony a luncheon was served at the home of the bride's sister, Mrs. James R. Wells, 306 Otter street, attended by members of the immediate families.

After a honeymoon spent in New York City, Mr. and Mrs. Runyon will be at home at 5809 Penn street, Philadelphia.

Both members of the contracting couple were very popular with the younger set, the groom having lived here for a number of years. He was well known in semi-professional baseball circles. The bride, a native of New York City, was educated at St. Dominic's School for Young Ladies at Lampasas, Texas. She took an active interest in amateur theatricals during her stay in Bristol, appearing in several plays produced by the Knights and Daughters of Columbus.

The couple were the recipients of many handsome and useful gifts.

DAILY NEWS LETTER

By M. F. Dacey
I. N. S. Staff Correspondent

BENVER, Feb. 4.—In one of the most unusual wills ever probated here, Joseph Frei Steffes, a native of Switzerland, who came to America 35 years ago, leaves his entire fortune of \$40,000 to create a perpetual supply of free white bread for the "deserving poor" of his native Swiss village.

Steffes died here in the county hospital, a charity patient, under an assumed name, declaring in his will that he had been persecuted during his life by "two rich and powerful mining camp agents," whose sinister influence upon his physicians he feared, and so entered the hospital without revealing his identity.

The will provides that the interest on half of the \$40,000 shall go to Steffe's brother, Frederick, 71 years old and his niece, Frau Bertha Sprenger, both residing in Switzerland, until their death, when the entire principal shall be used for the bread fund.

On each Friday, the will stipulates, "and as many other days as the interest will permit," the priest at Ehren-dingen, Bezirk, Baden, Kanton Aargau, Steffe's birthplace, shall say mass for the dead man and for all his relatives.

"At each of such masses the deserving poor who shall attend shall receive one two pound loaf of the best white bread," the will continues.

The priest must publish the date of each "Joseph Frei Steffes American Bread Fund Mass," as they are to be called, from the pulpit each Sunday, so that all the poor may come.

DAILY AVERAGE OF 45 PRISONERS AT COUNTY JAIL

A Total of 539 At County Institution Throughout Past Year

NO DEATHS REPORTED

Eighteen Received Paroles And There Were 23 Juvenile Cases

DOYLESTOWN, Feb. 4. — During 1926 there were 501 prisoners committed to the Bucks County Prison, plus 38 others carried over from the previous year, making a grand total of 539 inmates for the year. This is a slight increase over the previous year.

Some interesting prison records were compiled yesterday by Head Keeper Grant Myers. The figures quoted are part of a report that will be submitted to the Department of Welfare in the near future.

During 1926 there were 484 prisoners discharged, leaving a total prison population on January 1, 1927, numbering 55. The daily average population of the prison for 1926 was 45, a trifle higher than the previous year.

The records show that 67 were sentenced by justices of the peace and 79 by the Court. There were 355 persons committed for trial by the Justice of Bucks County.

Eighteen prisoners were granted paroles during 1926. There were 23 juvenile cases admitted to the house of detention, four being sentenced to Glen Mills Reform School and all other cases being discharged in some manner.

It is interesting to know that the total number of days the prisoners spent in prison in 1926 numbered 16,437. The aggregate number of days that female prisoners spent in the county prison was 423, while the aggregate number of days for males was 16,004.

The report shows that the total amount paid by the county for food for the prisoners in 1926 amounted to \$8,218.50. The total amount paid by the county for the maintenance of prisoners located in penitentiaries, prisons or other penal or correctional institutions in 1926 amounted to \$9,581.24.

There were no deaths at the Bucks County Prison during 1926.

Numerous improvements were also made to the interior of the prison that have been commented on by grand juries in session during the various terms of court during 1926. At the present time, Sheriff Abram L. Kulp and Head Keeper Myers have a squad of men refreshing a number of cells.

—Mr. William Campbell, of 343 Jackson street, has been confined to his home since Monday with an attack of grippe.

—Mr. Edward Renk, of 1322 Pond street, was a Sunday guest of his nephew and niece, Mr. and Mrs. Albert Renk, of Cranbury, N. J.

local clergyman in a lecture here the other night, but if you are homely and smart, that's an individual trait, and you deserve praise.

"Why were Socrates and Lincoln, both great thinkers, so homely?" asked Dr. Fouse. "And why is the average movie queen, usually so dumb, always good looking?"

"Because beauty does not belong to personality, it belongs to type. Helen of Troy, the world's most beautiful woman, was only a type. Socrates, the world's ugliest man, was a real individual. The screen stars come from behind the counter in the ten cent stores—they're of the rank and file, beautiful as an Arabian horse is beautiful, because it's characteristic of the type."

Dr. Fouse thinks modern styles are helping women develop individually, whether they are beautiful or not.

"Only ten women in a thousand are creative enough to make their own styles," he calculates.

"The trouble with Americans, thinks Dr. Fouse, is that they are too conscious of their clothes. He says we think of ourselves always as dressed."

"We are more conscious of the clothes we have on than of the body we have on."

Laying the blame for modern morals or lack thereof on prosperity, Rabbi William S. Friedman prophesied to his Temple Emmanuel audience here that the philosophy and culture of the Orient, "unstained and unwarping by the sex obsession," may yet supersede Occidental civilization.

"The American nation has reverted to animal instincts," declared Dr. Friedman, pointing to modern drama, literature, dancing, dress and religion.

BORN, NOT MADE

The federal government's largest tax case, that against former Ford Motor company stockholders, is being conducted by the youngest solicitor of the internal revenue bureau. He who this time commits the "atrocious crime of being a young man" is Alexander W. Gregg, only 27 years old but evidently somewhat of a genius in tax law and mental arithmetic.

Without detracting in the least from the praise due him, it has to be said that such peculiar gifts as he has frequently make themselves known in early life. Even in the treasury department there have been many other valued assistants who were young in years but old in counsel.

It appears to be a fact that a special aptitude in mathematics, like a particular flair for the game of chess, is apt to show itself in early life. It seems to have been a quite general rule among astronomers since the earliest times to display ability in their science when hardly out of their teens.

The truth seems to be that if a man has an abnormal facility in calculations and in memorizing figures, he has it almost from birth. Chance and occasion may call it forth soon or late, but there it is from the beginning.

And it seems to be a truth, not less settled, that if one has not come naturally by this mental faculty, one's lot is sad and hopeless. Few, if any, in this boat ever succeed in mastering figures, even through years of slavish labor. Poets and mathematicians are born.

MONEY MART OF THE WORLD

Steps being taken by the New York stock exchange and international bankers from this and European countries to make the listing of foreign shares on the New York exchange are epochal. The move is of world-wide significance and marks a new departure in high finance.

Not the least important feature of the innovation, at least to Americans, is that it will firmly establish the position of this American financial market as the largest and most representative international market in the world. It means that within a short time American investors will be able to deal daily in the common stocks of the leading industrial, railroad and public utility corporations of every foreign country.

The fact that domestic and foreign bankers are working together to obtain favorable laws in New York state and to take other steps necessary to listing of foreign shares would indicate that the New York stock exchange finds a great demand here for foreign stocks and that foreign business is in need of American capital.

Trading in foreign stocks on an American exchange should have a salutary effect on international relations. Certain requirements must be met by the foreign corporations placing stocks on the New York exchange and American investors dealing in the foreign shares will acquaint themselves with foreign conditions. That better relations between the governments represented will follow is a foregone conclusion.

Something else the younger generation seems to struggle along manfully without, for 364 days in the year, is mistletoe on the chandelier.

Eleven months of the year still remain, and already a lot of second-hand good intentions are available for paying purposes.

RADIOLA 20

There is no set at anywhere near its price that can compare with the RCA Radiola 20. Hear its tone—and your own ear will prove it.

It has the new features of single control—and a power Radiotron for volume. But it is not an experiment... it is a proved success!

It is economical to run—with five dry battery tubes, doing the work of several more than five tubes—but making small drain on the batteries.

MOFFO BROTHERS PLAN A VERY BUSY SEASON

"Patsy" Moffo, the hustling manager of his three fighting brothers is up to his neck in business these days, closing date in which some of the family will appear on a boxing program.

Tonight "Sammy" Moffo will meet a tough opponent when he squares off against Johnny De Marco in the Convention Hall at Camden, N. J.

Monday night brother "Billy" will travel to Trenton, where he fights "Kid" Sullivan, crack North Trenton

negro lightweight, in a special eight-round contest on an all star card.

February 11th will find "Sammy" and "Billy" in Philadelphia, where they will meet a couple of hard and fast scrappers at Johnny Burns' Cambria Club in Kensington.

Sam will face Joe Wilton, the promising South Philadelphia lightweight, in the wind-up, and Billy will meet Frankie Ferro, the Bridesburg "shiek" who has just returned from a victorious trip on the Pacific coast.

In Wilton, young Sammy meets the stiffest opponent yet and will have to be at his best if he expects to be returned a winner.

On Friday, February 18th, Manager Patsy has signed the three brothers to appear on the same program at Lake-

Courier Advertisements

Will Bring You Money Saving Results

wood, N. J. Sammy will meet Ruby Stein, the flashy New York lightweight, in the final. Eddie, the "bear cat" will fight Johnny La Gray in the semi. This will be Eddie's first fight since the accident last summer, when he was crushed under a tractor on the St. Ann's football field. His friends in Bristol will be pulling for a victory for him, Eddie being one of the most pleasing scrappers in this vicinity, always trying for a knockout. In another bout on this program Billy Moffo will square off against Bobby O'Neil.

BAD NEWS FOR THE WETS

It is not likely the wets will get much comfort out of the congressional elections this fall no matter which way they go. Of the 270 candidates nominated so far by both parties 233 are dry and only 43 wet. And in the result of these elections will be found the real sentiment on the wet-and-dry question, not in the so-called prohibition referendums of, for and by the wets to see if they are still wet.—Exchange.
